

For the Good of the Order Preamble
(P&P Appendix B)

No problem has to lead to serious trouble for any group since OA experience shows that good will, honesty, selflessness and a spirit of love and service will prevail if we make an honest effort to place principles before personalities (Tradition Twelve).

A sense of humor, patience, courtesy, willingness to sit still and listen, a sense of fairness and trust in a Higher Power have been found far more useful than legalistic arguments or personal accusations.

This discussion time is for the good of SAI- not for one's personal recovery. The discussion is not being recorded and it will last for ten minutes only. Keep your sharing to first person (use I statements please).
